God's Love is For Everyone

Andrew and Philip came to Jesus and said, "Some people from another country want to see you."

"That's great!" Jesus said. "I would love to talk to them."

Andrew frowned. "But Jesus, I thought God's love was just for God's special people, the Israelites."

Jesus shook his head. "Andrew, God's love is for everyone."

"I don't know, Jesus," Philip said. "That's not how it's always been."

"Actually, that's not true," Jesus answered. "God has always loved everyone. It's time to think about things in a new way."

"But that's hard," Andrew said.

Jesus put a hand on his friend's shoulder. "I know, Andrew. But if the old way of thinking doesn't change, then God's love won't grow in the world."

Andrew nodded. "Okay. We'll try to see things the way you do."

REMEMBER THIS

GENTILE
