High Adventure in God's Beautiful Creation!

Are you seeking an out of the ordinary, exciting, remarkable experience? Then plan on taking a grand adventure this summer. Join friends of faith as we hit the high country in the Bighorn Mountains.

FAITH, FRIENDS & ADVENTURE!

You are invited to an adventure filled with faith and friendship, personal growth and panoramic scenery as we hike, climb, laugh and pray our way through the Bighorn Mountains of Wyoming. Highlights include awe-inspiring scenery, majestic mountains, crystal clear lakes, roaring waterfalls, fresh trout dinners and life in a tight-knit group. You will enjoy enough to eat, wonderful company, shared struggles and encouragement to meet the challenges of the trail, and you will uniquely experience God's presence and love so evident in both people and place. Hikers also practice "Leave No Trace" camping skills in caring for God's creation. High adventure trips challenge people physically, emotionally and spiritually providing incredible opportunities for growth.
