**BUILDING
UP**
THE BODY OF CHRIST

2019-21 Capital Fund Campaign

Dear Friends,

We have a generous God who gives each of us gifts to serve the work of ministry, for the building up of the body of Christ in love. I am grateful to be part of the body of Christ here at Immanuel, and for sharing with you in the joy of building up this church, this congregation, and this community. We do this as we love one another, share in the joy of worship and fellowship, and as we serve and give faithfully and generously, as God is faithful and generous with us. I invite you to join me in continuing this good work and support our Building Up Capital Campaign. Prayerfully consider how you will support Building Up the Body of Christ through this capital campaign, then complete this response card and return it to church on our Celebration of Response Sunday, May 5.

Begin With Prayer

Gracious God, You bless us with abundant gifts, food and clothing, home and family, church and community, work and rest, and all that we need from day. All that we have is a gift from you.

Now inspire within us hearts as generous as yours, and help us to share the gifts you have entrusted to us so that we might build up the body of Christ at Immanuel. May we be faithful and generous, that the gifts we share might build up our community as this church is cared for and strengthened.

Unleash our generosity so we might know the transforming joy of generosity, of committing our lives to your holy work through our gifts, our service, our faithfulness, and our love.

In Jesus' name, Amen.
