

Even the stones that make the pyramids in Egypt have eroded away over time.

The only thing to last forever is God's love. Even skyscrapers and bridges one day will fall. But the love of God will last forever.

End of the Age

Mark 13

Jesus wanted his disciples to know what is really important in life. So when they all went to the temple in Jerusalem, something caught the disciples' eyes. They were impressed with the large, sturdy rocks that made the temple.

But Jesus told them that even the stones wouldn't last forever. Jesus told the disciples that throughout the years, many would say: "I'm the ONE. Follow ME."

But Jesus said not to follow them. Only Jesus was the real son of God. Jesus told the disciples they didn't have to worry about anything because the son of God will be with them. Jesus would send angels and the Holy Spirit to care for the world.

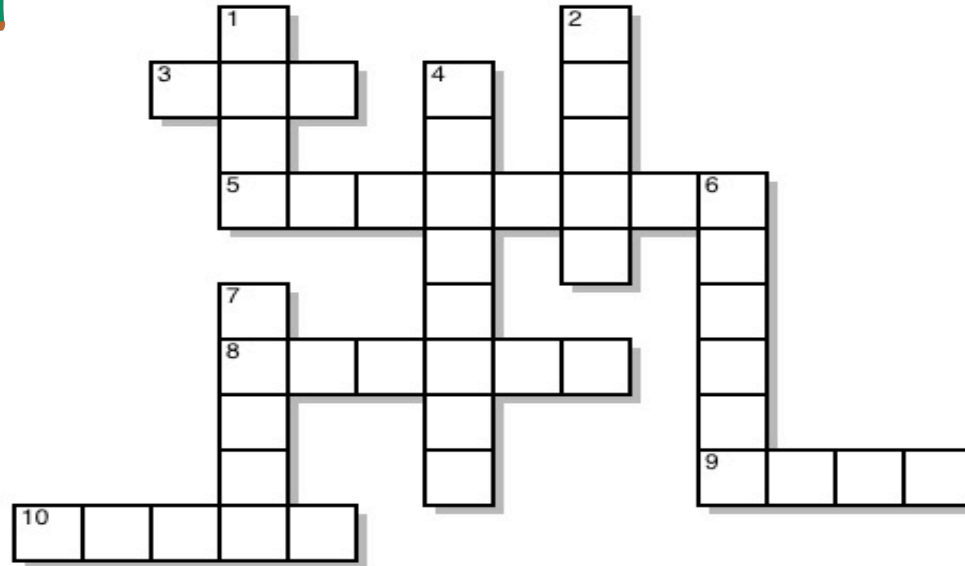

Jesus said, "Don't worry. Just pay attention to God's words!"

Look and see what materials your home or apartment is built with. How long do you think it will last?

TICTACTOE

Nice Quote!

You can't build a great building on a weak foundation. You must have a solid foundation if you're going to have a strong superstructure.

- Famous Architect
