February 28, 2018

Reflect on the daily devotions from the previous week:

- Ask students to share what they highlighted/underlined from **pages 7 – 11**, and why they highlighted those words/phrases.
- Do you feel, as a Christian, that your faith makes you “part of something bigger?” (**Thursday, p. 7**) Do you talk about your faith with your friends?
- How have you used social media in the last week? Has it been focused on you or have you celebrated and encouraged others? (**Saturday, p. 8**). Is it easy or hard to encourage, celebrate and compliment others? Why?
- Do you ever get overwhelmed with all the things you have to do? (**Sunday, p. 9**). When you are stressed, do you take time to pray and ask for God’s strength and encouragement? Why or why not?
- Have you found time to do the daily devotions in the Lent Is Trending booklet? (**Tuesday, p. 10**) How can you prepare your heart to be “good soil?”
