## Acts of Service

**Called to care, sent to serve, to love one another**  
**Reflection by Kari Totall (Parish Nurse)**

It's important as members of a faith community to share our time and talents with each other. Caring for one another and acts of service are such important parts of a faith community. If you have ever participated in a mission trip, you come home all jazzed up and you really want to continue with simple acts of service that impact people in such profound ways! But sometimes it's hard to figure out how to help!

**“A group of 8-12 people can get a job that seems overwhelming to one person done in a couple hours!”**

**- Kari Totall (Parish Nurse)**

A part of my role here at Immanuel as parish nurse is being a resource for members and working to coordinate a little help in time of trial. I have been able to coordinate several one-time events to help out our fellow brothers and sisters in Christ. These teams have gathered together to assist Immanuel members that are in need of an act of service, a job that might seem a bit overwhelming to one person due to age, health issues, loss, or lack of resources. We have washed windows, raked, cleaned homes, yard work, etc. A group of 8-12 people can get a job that seems overwhelming to one person done in a couple hours! It really is true that many hands make light work! Plus, we have a lot of fun while working together.

If you have a free hour or two once a month, or once a year, and would like to be a part of this team let me know! Or if you need some help, or know of someone in need, let me know that too!
