

## Children's Home Faith Formation Resources

March 25 - 31

### **Talking with Kids About Coronavirus, Thursday April 2, 8pm** (via Zoom)

This is a difficult and scary time for all of us, but especially children. Join us for time together via Zoom with Amanda Luedtke, a Licensed Mental Health Professional and the Director of Regional Operations- Behavioral Health with Lutheran Social Service. We will identify specific ways that you can encourage and empower those around you and how to prepare to support during moments of distress. Hopefully the kids will be settled down in bed by 8pm and you can take some time to connect with Amanda.
