

# Confirmation

Here are the discussion questions for March 7:

## Reflect on the daily devotions from the previous week:

- Ask students to share what they highlighted/underlined from March 1 – 7, **pages 11 – 16**, and why they highlighted those words/phrases.
- Who are 3 people that have had a positive impact on your faith? (**Friday, p.12**). Why are they important and how have they impacted your faith?
- Imagine that you are standing next to Christ and shining his light (**Saturday, p.13**). How is your shining light making a difference in your home, school or community?
- Paul was imprisoned and chained while writing to the Philippians (**Monday and Tuesday, pp.14 & 15**). If you were imprisoned do you think your witness for Christ would be stronger? Why or why not? In what ways can you boldly and confidently share your faith?
