

# Ministry

In Duluth, we will work alongside local social service organizations and serve both the elderly and children. Duluth has a large population of homeless youth. We will have the opportunity to learn more about the struggles that accompany being homeless through a community partnership with Life House, a local shelter and advocacy organization.

In addition, we will see and visit some local scenic areas and help to facilitate a community cookout.

# Background

Duluth, Minnesota has all the amenities of a big city, but offers the simple pleasures and relaxed pace of a smaller town. The scenic shores of Lake Superior offer a beautiful backdrop for the community. While the city has been consistently recognized as a great place to live, this is not the case for all residents. Poverty and economic hardship are a reality, especially for youth. You will experience a very historic and industrial city and a tight-knit community that is working to improve their city and help those in need.

# Activities

Examples of evening/cultural activities that have been done in the past at our mission site include: visiting a local attraction- Enger Tower, Canal Park, Rose Gardens or Leif Erickson Park, dinner at Union Gospel Mission, visit Clayton, Jackson & McGee Memorial, a Community Cookout and Park Point Beach.
