

Prayer Shawl Ministry

The Prayer Shawl Ministry group makes and delivers prayer shawls to members of Immanuel Lutheran church. We provide shawls to those that are battling long term illness, bereavement, baby baptisms and fleece tie blankets to graduating high school seniors. No prior knitting or crocheting experience is required, we would love to teach you a new skill / hobby. Knit, crochet and pray with your Immanuel sisters. This ministry reaches out to those who are hurting or need a special blessing.
