

Professional fishermen and -women today often still use nets to catch fish from lakes, oceans, and rivers.

Color That Stuff

Color the fisher-folk reeling in their nets. Draw in some fish, too!

Jesus went out to tell everyone about God's love. But he didn't want to do it alone. So Jesus walked along the Sea of Galilee. He saw two brothers, Simon and Andrew.

He said to them, "Follow me." Without even thinking about it for a second, they dropped their nets and followed Jesus. They must have known he was something special.

A little farther along the shore, Jesus saw two more brothers, James and John. He said to them, "Follow me," and the same thing happened!

Jesus told his new friends that now they would go fishing for people. He meant that they would tell people that God loved them, and that everyone belonged to God. Just like gathering fish into nets, they would gather people into God's love.

Fun Stuff

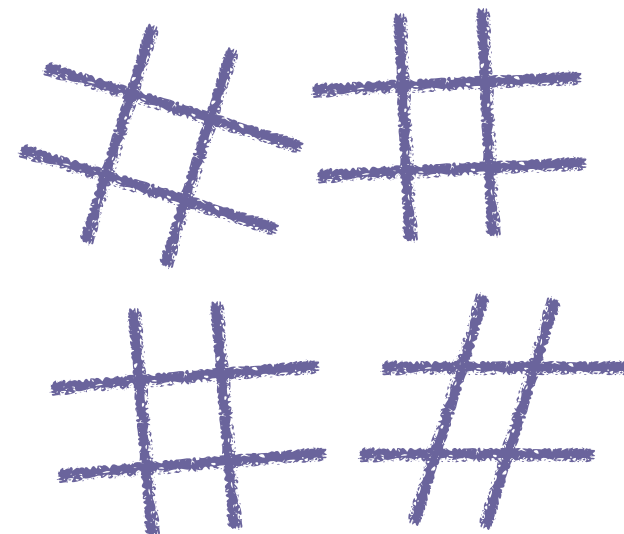

Maze Time!

Ooooo. This one looks fun! Find the way through the fishy-fishes.

TICTACTOE

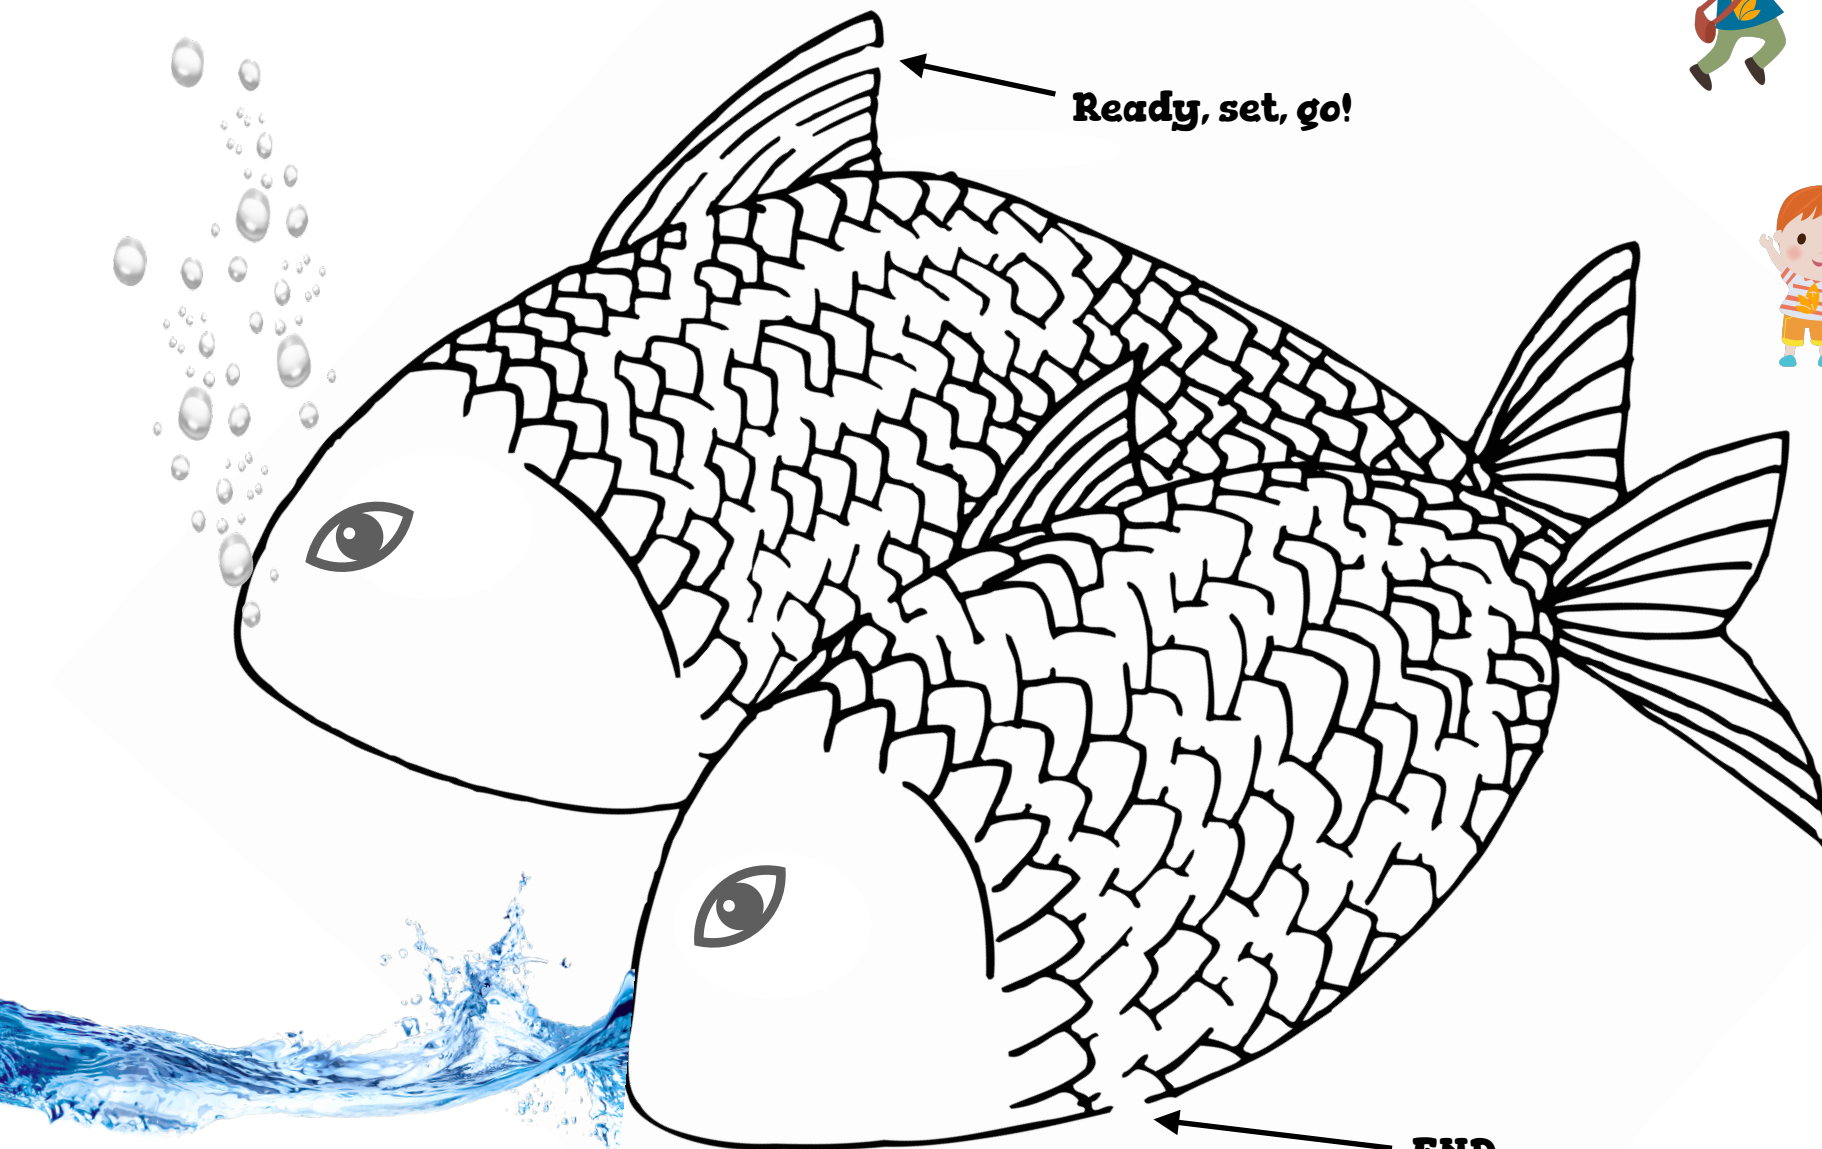

Memory Verse

Jesus said to them, 'Follow
me and I will make you
fish for people.'

— Mark 1:17

Ready, set, go!

END

Special Task Force

Have an adult helper lend a hand to look online for photos of people fishing today.
Would you like to go fishing? Have you?
