

Did'ja Know?

Different countries use different types of money to pay for things. On the island of Yap in Micronesia (a Pacific island), traditional "coins" were actually giant stones to trade with other people!

Color That Stuff

Having money isn't a bad thing. Money can do great things, too. Jesus taught that the LOVE of money was the roadblock many struggle with. Color the picture of Jesus teaching the people how best to love God, instead.

Mark 10

AUTUMN

There was a young man who went out to find Jesus. When he found him, the man asked how he could earn his way into heaven. Jesus smiled and shook his head.

"It doesn't work that way," Jesus said.

Jesus knew that we can't earn our way to heaven. We are blessed enough to go to heaven because of Jesus' love for us.

The man was confused. He wanted to earn the gift of everlasting life. Jesus told him it's impossible to buy it, because God's gift is free.

We can depend on God for life, for our whole lives.

Memory Verse

"But Jesus said to them again, 'Children, how hard it is to enter the Kingdom of God! It is easier for a camel to go through the eye of a needle than for someone who is rich to enter the Kingdom of God!'"

- Jesus said this in Mark 10:25

Try It At Home

Giving to others is an important part of following Jesus and helping God. Ask yourself this week how you can give to others in both your time and of your money.
