John 2

Passover

At the time of the Passover celebration, Jesus went to Jerusalem. In the temple, there were lots of people selling animals and birds. In fact, people bought and sold all sorts of things. Seeing it all made Jesus sad . . . and angry!

Jesus made a whip out of strips of leather and chased them all out of the temple. He drove out the animals and tossed over the tables. Coins spilled everywhere. He yelled, "Get your things out of here! My Father's house is not a shopping mall!"

The people were upset. They said, "What makes you think you can talk to us like that?" Jesus said, "Tear down this temple and I'll put it back together in three days."

They couldn't believe what they were hearing. They said, "It took forty-six years to build this temple! There's no way you can rebuild it in only three days."

But Jesus meant his body was the temple. Later, after he rose from the dead, his friends remembered what he had said.
