

**"Optical illusions" are things you look at and think that they really do appear that way. But they're just a trick of the eyes. Jesus was no optical illusion though!**

## Color That Stuff

Draw a picture what you believe "faith" means for you. Share it with another and tell them why. What do they think faith means for them?

## The Season of Easter

EASTER

John 20

**After Jesus died, his friends were hiding in a house, scared and sad.**

**Suddenly, Jesus was right there with them. "Peace be with you," he said.**

**They were so excited to see Jesus alive again! He stayed with them for a little while and then disappeared.**

**Jesus' friend, Thomas, was not there that night. When the others told Thomas that Jesus was alive he said, "If I don't see him for myself, I won't believe."**

**A week later, Jesus appeared again and this time Thomas was there.**

**"Thomas," Jesus said, "all the others got to see me. Now it's your turn."**

**Thomas was amazed. "My lord and my God!" he cried.**

**Jesus smiled. "Thomas, do you believe because you see me? Many people will come to believe in me without ever seeing me."**

## Great Big Word

### Believing without Seeing

Also called "faith." It means you believe, no matter what.

Nice Quote!

**I believe in Christianity as I believe that the sun has risen: not only because I see it, but because by it I see everything else.**

**– C.S. Lewis, Author**

**Try It At Home**

At home, have someone you trust blindfold you. Then have them guide you around. No cheating! When you take off the blindfold, see where you are. Was it where you thought?

**Special Task Force**

Thomas and his questioning of Jesus is actually something really good for us. Asking questions (even hard ones) is never a bad thing. Each day this week, think of a new question of something you always wondered about. Ask an adult and look up online what other answers you find.
