

Bread, as we know it, has existed for thousands and thousands of years. Over the years, many different types of bread have been baked.

Color That Stuff

One famous piece of art was created by Leonardo Da Vinci. Below is a replica coloring page of this famous piece. Which one is Jesus?

Jesus wanted his disciples to remember him after he was in heaven, so he served them a very special meal. After Jesus and the disciples ate their supper, Jesus took bread and blessed it.

Then he tore it into pieces and gave it to all his disciples saying, "This bread is my body given for you. Take it, and eat."

Then, he took a cup of wine, gave thanks, and gave it to everyone to take a sip. Jesus said, "This is my blood of the new promise that is given for you."

The disciples weren't sure what Jesus meant, but they knew it was a very special meal.
