Jesus is the Way

Jesus told his friends that soon he would be going away to God's house. "There's room for everyone in God's house," Jesus said, "and everyone is invited! You'll all be there with me someday."

"How will we get there?" Thomas asked.

Jesus said, "You already know the way."

Thomas was confused and scared. "We don't even know where you're going! How can we know the way?"

"It's okay, Thomas," said Jesus, putting a hand on his friend's shoulder. "Just remember this: I am the way to God's house. Just believe in me, and I will help you to follow what I have taught you. Then you will know I am always with you, leading the way."

"I'll do my best," Thomas said.

"And that's enough," Jesus answered.
