

### Did'ja Know?

The Trinity is kind of like a banana! Next time you eat a banana, peel it and press gently on the top. It will split into three sections! 3 = 1. Pretty cool!

### Color That Stuff

Teachers are important, because they help us to learn. Color the picture and draw yourself into it.

### Sundays After Pentecost

June 12, 2022  
Trinity Sunday  
John 16:12-15

Jesus knew he would be leaving his friends soon. "There are still so many things you don't know," he said.

Peter frowned. "You always tell us what's right. How will we know what to do when you're gone?"

"God's Holy Spirit will help you," Jesus answered.

"I don't understand," said Mary.

Jesus said, "God's Spirit lives in all of us. Ask questions. Talk to each other in love. Then the Spirit will help you do what's right."

"I still don't want you to go," said Susanna.

"I know," Jesus said with a kind smile. "But I will still be with you. God's Spirit is part of me, too."

### Jesus is Still With Us

Jesus is part of God. God is everywhere. That's why Jesus is still here, because God is!

# Special Task Force

Make a collection of sticky notes about questions you have. They can be about anything. For example, how much does a full-grown elephant weigh? Stick the notes up in a place where all can read them. See how many you can answer together.
