

Different countries have different kinds of governments. When one person rules, it's called a monarchy (that's like a king). When representatives create laws and vote it's called a constitutional republic.

Season of Pentecost

Mark 6

Many people were excited about Jesus' work. There were some people who didn't like it. Those people decided to Kill one of Jesus' messengers, John the Baptist.

When Jesus and the disciples heard this, they were very sad. They knew that John was with God, but they still cried. They missed him.

Jesus didn't let the negative people stop him, though. He kept preaching love to everyone he met. He kept healing people who were sick. Jesus didn't let the mean people stop him – he had a mission to achieve!

Fun Stuff

PICTURE IT

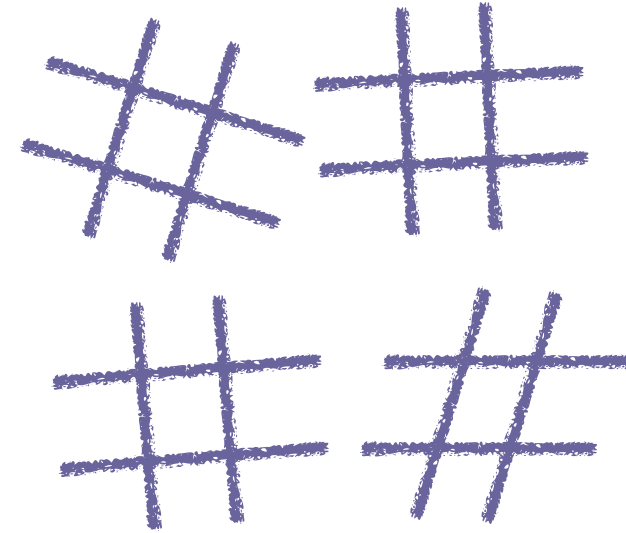

Before John the Baptist was executed, he was in prison. Draw a picture that you might share with him to let him know that God is with him.

Try It At Home

If you're just beginning to read, see if there is a Sunday you can volunteer to read the scripture readings at your worship service.

Nice Quote!

You never get away from that thing in your hometown that it has over you. You don't outgrow where you come from.
