## Jesus Sends His Friends Out

Jesus said to his friends, "I have a job for you."

"Okay," said Mary. "What do you want us to do?"

"Choose a partner and then go into the countryside and teach and heal like I do."

Philip frowned. "Really? We can do that?"

"Yep," said Jesus. "Because I said so."

"We'd better start planning," said Susanna. "We'll need weeks to get everything we need together."

"Nope," said Jesus. "Don't take anything except a staff."

Nathanael's eyes got huge. "Are you serious? How are we going to take care of ourselves out there?"

Jesus smiled. "You need to trust God. God's love will be with you. People will help take care of you. You'll see."

Mary nodded. "It won't be easy, but we love and trust you and God. So we'll do what you ask."

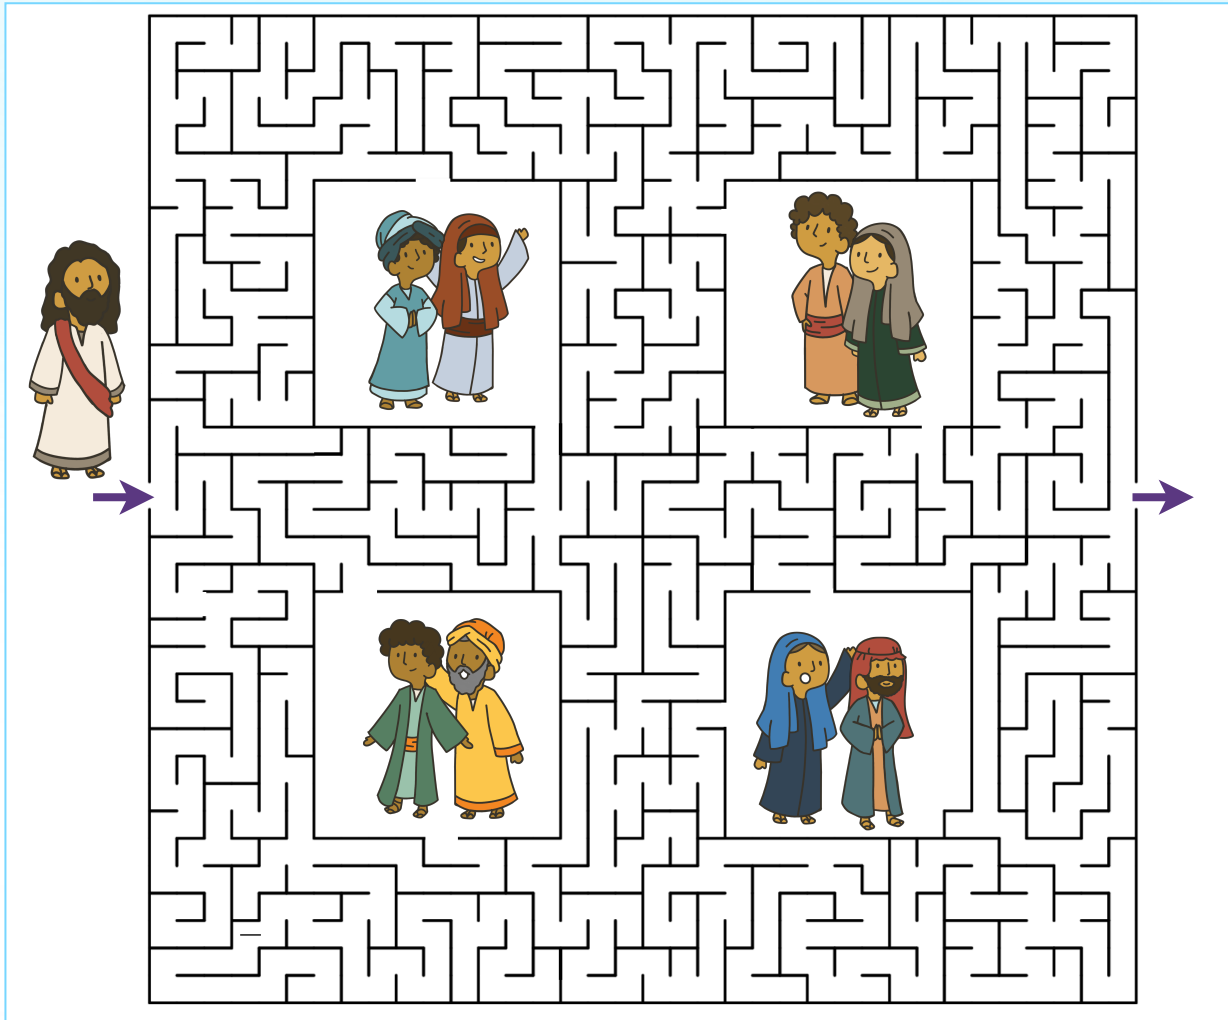

### REMEMBER THIS

#### GOD EQUIPS US

That means God gives us what we need to do God's work in the world when we don't think we can do it.

# TWO-BY-TWO

Jesus sent his friends out in pairs to share God's love. Help Jesus catch up with his friends and find out how they're doing!

## Did You Know?

A walking stick (also called "staff") can actually help you when you're out in nature hiking!

## TRY IT AT HOME!

Plan a hike and a picnic with a grown-up's help. Think about all the things you will need—try to bring as little as possible!
