Dear God...

7th Graders' Prayers

In January one of our 7th grade Confirmation small groups, after studying the Lord's Prayer, wrote their own prayers. They are authentic and honest expressions of faith. Here are their prayers...

Dear God, please help a close friend as she deals with an unhealthy relationship, and I would like to ask for help controlling my anxiety.

Dear God, I pray you help me with my mental health and help me succeed in school and help me find patience for others.

Dear God, please let everyone who feels like they don't matter and feeling alone know that they are loved, and they do matter, even if it doesn't feel like it in the moment.

Dear God, thank you for all the happiness and joy you have brought to my life in the past few months. I also want to raise up my Grandpa as he is suffering from dementia and stroke recovery.

I pray for all the people suffering from any type of natural disaster. I pray that you help them recover.

"Dear God, thank you for my family and friends, even if my siblings are annoying at times."

Please help the people of Australia, the people of Iran, and everyone who is suffering in their lives. I thank you for all the blessings you give us and that you keep us safe.

I pray for shelter, food, and the thought of knowing my family and friends are safe and taken care of.

Please Lord help me to get my German grade up by the end of the quarter so I can help relieve my anxiety about it.

Dear God, help me to do good on the test for the semester final.

Dear God, thank you for making my life an adventure lately. You have brought many new people into my life and making them so accepting of me. Thank you for letting me know who my real friends are and who are not for me. Thank you.

Dear God, thank you for my family and friends, even if my siblings are annoying at times.

Dear God, today I'm in pain as a recent back injury has put me out this season. I feel anxious and like I'm not going to get better. Help me please.

Please God, help my family and I hope in 2020 that you can guide me in the right way. Also, please help the ones in need of it and make their lives better.

I pray in thanks for the Confirmation class and for the opportunity to be here.

Please Lord, I pray for my family and I hope in 2020 that I don't fail my classes. Thank you.
