

"Hospitality" means how we welcome others. You can welcome others to your table, your home, play, or work with them!

Color That Stuff

Help Jesus and the boy deliver the loaves and fishes to the crowd. Color the picture and write how you would help.

Jesus loved talking to people. The crowds loved listening to Jesus, too. One day, Jesus talked with them for so long, it grew late. His disciples said, "Tell the crowds to go home so they can get something to eat."

Jesus said, "Don't send them away. You can feed them."

"What?! But we only have five loaves of bread and two fish. How can that feed the 5,000 people that are gathered here?!" they wondered.

"Tell the people to sit down," he instructed. Then Jesus took the food and prayed a blessing over it. He told his disciples to share it with the crowd. They shared the bread and fish with everyone who had come. But they never ran out of food! How was that possible?

Well, it was Jesus, after all. Jesus had performed an amazing miracle. Thank you, Jesus, for feeding all those people!

Help the kids get to the potluck dinner!
This is a tough one - can you do it?

GOD'S NEAT-LET'S EAT!

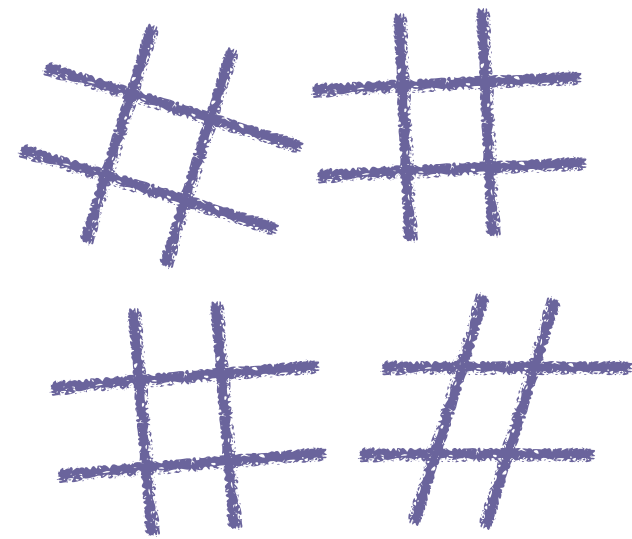

Special Task Force

Have you ever been to a potluck dinner? Isn't it interesting how no one plans exactly what to bring, but it always seems like everyone gets enough? What's your favorite meal item to eat at a potluck? Ask when the next potluck dinner will happen at your church.
