

Did'ja Know?

Scientists have found out that best friends often share similar brain wave patterns! Wow!

Color That Stuff

Yum, yum, yum! That looks scrumptious. Add color to the picture and draw in some of your own favorite food that you love to share with others.

Season After Pentecost

September 25, 2022
16th Sunday
After Pentecost
LuKE 16:19-31

Jesus told a story. "Once there were two men. Lazarus was very poor. Micah was very rich. Micah saw Lazarus every day, but he didn't notice how sad Lazarus was. He didn't care about anyone but himself.

"Soon both men died. Lazarus went to heaven to be with God. Micah was punished for what he did. He didn't get to be with God. He was very, very sad.

"Micah said, 'My brothers are selfish like me. Can you send Lazarus to tell them to change?'

"God answered, 'Even if Lazarus came back to life, it wouldn't change your brothers. They have to want to change.'"

Jesus finished his story. "No one is perfect. But anyone can change. Ask God for help, and you can learn to love God and your neighbor more and more."

Caring

Not just a feeling, but an action to help other people. Change comes within us to care for others as God cares for us.
