

## MASK & REGISTRATION CHANGES

In accordance with Governor Waltz and following CDC guidelines while it is recommended that those who are unvaccinated continue to wear a mask, Immanuel is not requiring individuals to wear a mask.

Pre-registration for worship is no longer required, but people will have the opportunity to provide information for contact tracing.

As we keep Jesus at the center of all we do, let us continue to care for our neighbors and ourselves with understanding and grace, making decisions that are best for our health and the health of our community.
