I Will Uphold You

"So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand." Isaiah 41:10

This may be a very popular verse, but I feel as if it holds true now more than ever. We are all trying to find a glimpse of hope in this time of chaos. Many people are feeling incredibly alone in quarantine, forgetting that they are not alone, for God is always with you.

For me, this quote is really getting me through this hard time without being too worried because I know God is with me. I originally felt anxious about the future when this pandemic started. There is no way to know what the future holds, so how could you not have a little fear? But I wholeheartedly believe that God has taken our hand and is slowly helping us out of this time of panic.

Dear God, I pray you can help us in this time of need and guide us to the end of this seemingly never ended pandemic. Amen.
