

Middle School Mission Trip

Duluth, MN – June 19-24, 2022

Interest Meeting
December 1st, 7:40pm

Duluth, MN

- Duluth, Minnesota has all the amenities of a big city, but offers the simple pleasures and relaxed pace of a smaller town. The scenic shores of Lake Superior offer a beautiful backdrop for the community. While the city has been consistently recognized as a great place to live, this is not the case for all.
- Poverty and economic hardship are a reality, especially for youth. You will experience a very historic and industrial city and a tight-knit community that is working to improve their city and help those in need.

- In Duluth, we will work alongside local social service organizations and serve both the elderly and children. Duluth has a large population of homeless youth.
- We will have the opportunity to learn more about the struggles that accompany being homeless through a community partnership with Life House, a local shelter and advocacy organization. In addition, our group will see and visit some local scenic areas and help to facilitate a community cookout.

What will we be doing?

Boys and Girls Club & YMCA: A program designed to engage students with games, activities, and studies, designed to help them excel.

Work Projects: We will work with community housing, assisting staff members create a better living environment for residents.

Soup Kitchens: We will prepare food as well as serve it with some of the most vulnerable in the community.

Community Gardens: Students will help care for community gardens – a great source of healthy and nutritious food.
